Sole Source Statement

The following unique features and capabilities are exclusively available through TouchMath Acquisition LLC:

1. Proprietary TouchPoint® System
 - Unique proprietary multisensory counting patterns that transform numerals into concrete touchable objects
 - Research-validated approach connecting tactile, visual, and auditory learning modalities
 - Proprietary manipulatives with TouchPoints® that directly align with curriculum materials
2. Integrated Teaching and Learning Cycle
 - Only mathematics program that combines:
 - NCII-validated screening tools
 - Multisensory curriculum with proprietary TouchPoint® methodology
 - TouchMath Skill Snapshots, an AI powered progress monitoring
 - Automated curriculum placement recommendations
3. Comprehensive Implementation Support
 - Complete alignment between manipulatives, print materials, and digital resources
 - Over 4,000 specially designed activity sheets incorporating TouchPoint® methodology
 - Curriculum available in both print and blended formats with proprietary digital tools
4. Validated Effectiveness
 - 50 years of research and proven results in mathematics instruction
 - Multiple independent studies demonstrating efficacy
 - CASE endorsed and included in NCII tools chart
 - Successfully implemented in thousands of districts nationwide
5. Specialized Features
 - Automated, data-driven placement into curriculum
 - AI-powered progress monitoring probe generation
 - Proprietary manipulative kit explicitly designed for TouchMath methodology
 - Seamless integration of Concrete-Representational-Abstract (CRA) approach using TouchPoints®

This letter documents that TouchMath Acquisition LLC is the sole source provider of its comprehensive, multisensory mathematics program and owns all rights to these materials. No other mathematics program combines these unique elements into a single comprehensive solution. TouchMath's proprietary methodology, materials, and integrated system make it the sole source provider capable of delivering this specific approach to mathematics instruction. For additional information or documentation, please call 800-888-9191.

Sincerely,
