

Skip count from 7 to 70 on each set of numbers and color picture.

The drawing shows a house with a sawtooth roof. The numbers and symbols are distributed as follows:

- Roof:** 7 (diamond) at the top left, 70 (diamond) at the top right.
- Left Wall:** 14 (diamond) and 21 (star) on the left side.
- Right Wall:** 56 (star) and 63 (diamond) on the right side.
- Windows:** Two circles representing windows, each with a number inside: 28 (cross) and 49 (cross).
- Door:** A circle at the bottom center with a number 42 (clover) above it.
- Other Numbers:** 14 (star), 21 (cross), 28 (star), 35 (diamond), 42 (cross), 49 (diamond), 56 (cross), 63 (star), 70 (cross) are scattered throughout the scene.
- Bottom:** A horizontal line with 14 (clover) on the left, 42 (clover) in the middle, and 7 (clover) and 70 (clover) on the right.

Ring four subtraction problems that equal the answer at the bottom.

	1.	2.	3.	4.	5.	6.	7.	8.	9.	10.
