

Name _____

What a wild winter day! Talk about the items you see in this winter picture. What else might you see on a winter day?

Use the picture above and write **addition sentences** for the items below. Then tell the addition stories to a friend.

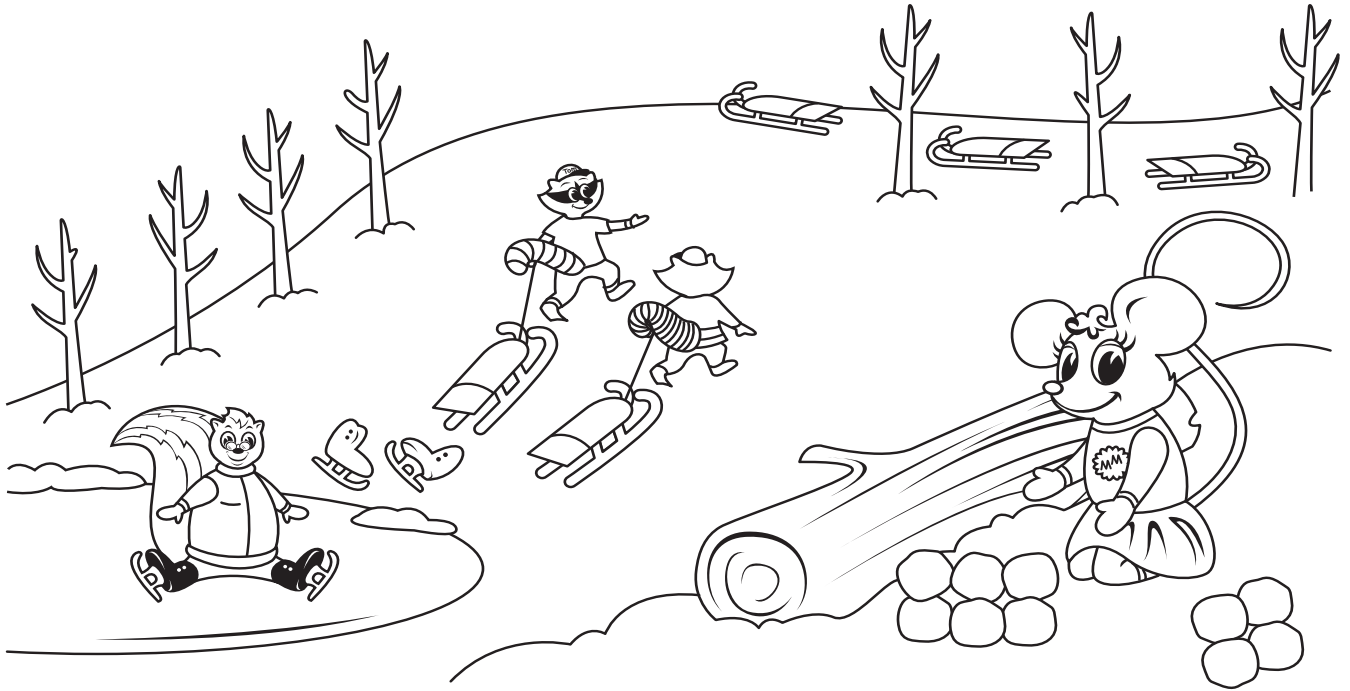

$$\underline{\hspace{2cm}} \text{ } \textcircled{\hspace{1cm}} \text{ S} + \underline{\hspace{2cm}} \text{ } \textcircled{\hspace{1cm}} \text{ S} = \underline{\hspace{2cm}} \text{ } \textcircled{\hspace{1cm}} \text{ S}$$

$$\underline{\hspace{2cm}} \text{ } \text{snowflake} \text{ S} + \underline{\hspace{2cm}} \text{ } \text{snowflake} \text{ S} = \underline{\hspace{2cm}} \text{ } \text{snowflake} \text{ S}$$

$$\underline{\hspace{2cm}} \text{ } \text{star} \text{ S} + \underline{\hspace{2cm}} \text{ } \text{star} \text{ S} = \underline{\hspace{2cm}} \text{ } \text{star} \text{ S}$$

Name _____

Look carefully at the winter scene. What **addition sentences** can you think of by studying the picture?

Use the winter scene above to discover the correct **addition sentences**. Match a picture on the left with a **number sentence** on the right.

$$2 + 2 =$$

$$4 + 3 =$$

$$5 + 4 =$$

$$3 + 2 =$$
