

Take-Away Tom caught 6 snowflakes on his tongue. Mirabel Mouse caught 2 snowflakes on hers. How many snowflakes did Tom and Mirabel catch **in all**? Write the **total**. What does a snowflake taste like?

Goldi Fox found 5 mittens. Then she found **2 more**. Write the number of mittens she found **altogether**. Draw a **line** (segment) to connect each of the **matching pairs** of mittens.

Touch and count the TouchPoints. Fill in the bubble beside the correct **total**.

$$\begin{array}{r} 2 \\ + 2 \\ \hline \end{array}$$

- 4
 5

$$\begin{array}{r} 7 \\ + 2 \\ \hline \end{array}$$

- 9
 10

$$\begin{array}{r} 3 \\ + 2 \\ \hline \end{array}$$
