

The U. S. Capitol Building is in Washington, D. C. Read the numbers at the top of each Capitol Building in the picture. Ring 3 addition sentences with that sum. Then write the numbers 64 to 75 on the stepping stones leading to the Capitol.

Directions: No guessing! If you know the answer to each problem, write it down. If not, touch the top number, say its name, and count backward on the TouchPoints of the bottom number. Then write the answer, and say the problem and answer quietly.
