

In each set of two, color the item that is **heavier**.

In each set of two, color the item that is **lighter**.

Start on the side with the arrow. The arrow is in the ones column on the right side. Add the numbers below the arrow in the **ones column** and write the answer. Add the numbers in the **tens column** and write the answer. Then match the answers to the numbers in the picture and color using the correct crayon.
