Stop! The **zero** has no TouchPoints. Trace the **zero** with your finger. Now do it again!

Trace the **zero** with a pencil.

Find the **zeros** and color them **blue**.

How many alligators are following GoldiFox? How many bananas is she wearing? How many pickles is she eating?

Trace and say the word "zero."

SkipperSkunk was asked to lead the parade today. If only Skipper could find his tall fuzzy hat. Where, oh, where could he have put it? Lead Skipper to his hat by following the numbers 1 to 14. Let the parade begin!
