

UnoBear is drawing 2 rockets ready for blast-off! Trace the numerals 3 to zero on the **first** rocket. Write the numbers in order from 3 to zero on the **second** rocket. Practice backward counting from 3 (2, 1, 0).

Look at the **graph**. Draw 1 **less** sun **than** there are moons.

UnoBear owns 13 hats. Hmmm! Uno counts only 10 hats on his shelves. Draw **more** hats so that Uno once again has 13. Color the **first** hat on the **top** shelf **red**. Color the **last** hat on the **top** shelf **yellow**.
