

MyTouchMath Resources

Accessing Implementation Resources

This guide shows educators and administrators how to access implementation and support resources from the TouchMath Digital Solution dashboard. Available resources include training and implementation support documentation, scope and sequences, state alignments, and more.

- 1 To access additional support and implementation resources, select the dropdown menu from the Resources tile

- Product Downloads are related to TouchMaths hands-on, proprietary manipulatives and instructional supports. Select a product or instructional support to download its supporting resources

- Under the Resources tile, you will find Product Downloads, the Implementation & Training Guide, the Scope and Sequence for the curriculum, state-specific alignments, and more. Instructional Strategies such as the BIDIWI Template and Modified Frayer Model are also accessible

- 4 Touching and Counting Patterns specific to the TouchMath approach are available to download in English and in Spanish

The screenshot shows a user interface with a sidebar on the left containing menu items: 'Student Platform' (5), 'Intervention' (4), and 'Reports' (7). The main area features a 'Resources' dropdown menu (8) with the following items: 'Product Downloads', 'Implementation & Training Guide', 'SE Scope and Sequence', 'State Math Alignments', 'Instructional Strategies', 'Touching/Counting Patterns' (highlighted with a red box), 'Caregiver Letter', and 'User Guide'. A secondary dropdown menu is open next to 'Touching/Counting Patterns', showing 'English' and 'Spanish' options. On the right side, contact information is displayed: 'Account Lead Administrator: George Jiang', 'Account Co-Administrator: Co090103 Test, Co090104 Test, Lauren Costello', and 'TouchMath Customer Service: product.support@touchmath, 800-888-9191'.

- 5 Caregiver Letters introducing the TouchMath program are available to download in English and in Spanish.

This screenshot is similar to the one above, showing the same sidebar and 'Resources' dropdown menu (8). In this instance, the 'Caregiver Letter' item is highlighted with a red box, and its secondary dropdown menu shows 'English' and 'Spanish' options. The contact information on the right remains the same: 'Account Lead Administrator: George Jiang', 'Account Co-Administrator: Co090103 Test, Co090104 Test, Lauren Costello', and 'TouchMath Customer Service: product.support@touchmath, 800-888-9191'.
