Cross out 1 apatosaurus.
Write how many are left.

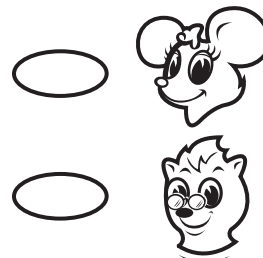

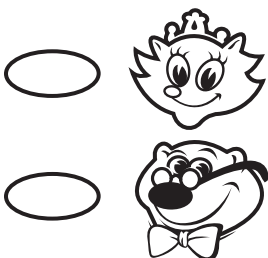

Did you hear about the big pickle sale? The CritterCrew sure did, and they love pickles! Some of the Crew got in line at 5 o'clock this morning! Count the jars of pickles and write the **total** number. Then answer the questions below.

Who is **first** in line?

Who is **last** in line?

Who is **third** in line?

Who is **second** in line?
