Accessibility Conformance Report

WCAG Edition

(Based on VPAT® Version 2.5)

Name of Product/Version: Classworks Student Platform v2024

Report Date: 03/25/2024

Product Description: Classworks is a software platform for educators and students. It helps educators identify student learning gaps through assessment and provides students with individualized reading, math, and language arts instruction. The platform also tracks progress, offers data and reports, and includes tools for social-emotional learning.

Contact Information: Jerry Henley, VP of Technology, accessibility@classworks.com

Evaluation Methods Used: A self-evaluation with a document review was conducted to identify potential WCAG violations. To assess conformance, manual testing was performed using assistive technologies such as screen readers, browser navigation, and browser/OS accessibility options.
